Prima Donna and Maire Jo do not have double D's or F's
Brava Converts the H & I cups to Australian Sizing: this is based on the fit of the bra.
If a customer is a DD or FF we recommend trying the larger cup size.

AU	8	10	12	14	16	18	20	22
EU	65	70	75	80	85	90	95	100
UK	30	32	34	36	38	40	42	44

Prima Donna and Marie Jo do not have the AU back size on their bra, try to learn the other back band conversions as this will help when putting the product away and with customer enquiries about her size as she will only know the EU or UK size
